

Techno Track

Vesta's Techno Track collection is hand-traversing and designed with extensive one-way draws in mind. The collection's Techno brackets support the aluminum extruded track from above thus allowing all gliders unfettered access across the entire bottom rail of the track. Most items are stocked and available for quick shipping.

AVAILABILITY:

most items in-stock, typically ships within 24-48 hours.
(special order finials from European Elegance and Geolux collections take 3 - 4 weeks, no returns)

AVAILABLE FINISHES:

- AB** = antique brass
BB = brushed brass
BL = black
BN = brushed nickel
PB = polished brass
PC = polished chrome

WOOD FOIL FINISHES
BEECH / OAK / PLUM
*available in the 1½"D track only

*due to the nature of these materials and the finishing process, a variance in finish is unavoidable.

MATERIALS:

- aluminum, brass

DIAMETER & BRACKETS:

- ▲ ¾"D: bracket required every 3-5 feet
▼ 1½"D: bracket required every 5-7 feet

SHIPPING & ADDITIONAL NOTES:

Track lengths exceeding 106" will incur significant additional freight charges. The collection's track connector can be used to achieve longer spans. When joining tracks, the cut produced will be noticeable and roller glides are the preferred choice for smooth operation.

ABBREVIATION KEY:

- D** = diameter
H = height
L = length
P = projection
W = width
ID = inside diameter
OD = outside diameter
